Lecturer in the graduate school and college professor, comptroller /accounting manager.

as Professor, was able to encourage students in showing their skills to come up with their best.

As Comptroller and Finance Manager was able to resolved several problems with regards to Tax issues, valuation of PPE, business permit, and SEC updated FS and also CAPEX and with less than 6 months I was able to give solution to the transactions of SSCR Manila that has been compromised due to lapses.

1. In the state university, I was given recognition of outstanding performance in relation to productivity bonus
2. In the financial institution, I was assigned in audit recon department where our unit received a yearly citation of “group efficiency award” with cash gift and groceries aside from the certificate given by the human resource department.

As a leader, I followed 5 practices of exemplary leadership.

- model the way
- inspire a shared vision
- challenge the process
- enable others to act
- encourage the heart

As a person and employee, I always followed the “do the right thing and doing the things right”
