Certified Public Accountant with over 8 years of experience across audit, tax, accounting, and financial operations, with hands-on exposure to executive-level financial management. Proven track record in leading statutory audits, resolving complex tax assessments, strengthening internal controls, and supporting strategic planning, cash flow management, and investor discussions. Currently performing CFO-level responsibilities, including financial oversight, audit resolution, compliance, forecasting, and stakeholder engagement. Adept at balancing risk management with business growth in regulated and resource-constrained environments.

Work Experience

Chief Financial Officer

Forbes Credit and Financing Corp.

August 2025 – Present

- Led completion of the long-delayed 2024 statutory audit, enabling issuance of audited financial statements.
- Resolved 2023 BIR audit, reducing exposure from ₱33M to ₱1.5M through proper documentation and negotiation.
- Oversees financial reporting, compliance, cash flow monitoring, and forecasting.
- Supports management and shareholders through financial analysis, projections, and funding discussions.
- Strengthened internal controls and cross-department financial coordination.

Freelance Finance & Tax Consultant

Mar 2025 – Present

- Provides outsourced accounting, BIR compliance, and financial statement preparation for SMEs.
- Handles tax filings and supports clients during BIR inquiries and assessments.
- Advises on financial controls, compliance risks, and cash flow visibility.

Consultant – VAT Process Improvement

RGP Philippines | Nov 2024 – July 2025

- Supports finance operations of a multinational pharmaceutical client focused on VAT compliance and process improvement.
- Assists in automation, reconciliations, and audit-ready documentation across global teams.

Accountant

Northern Trust | Aug 2020 – Oct 2023

- Prepared and reconciled indirect tax returns for EMEA entities under tight reporting deadlines.
- Supported internal and external audits and strengthened GL and tax reporting controls.

Audit & Tax Associate

SGV & Co.

December 2017 – July 2020

- Prepared various tax returns and handled BIR audit coordination for clients in financial and regulated industries
- Conducted tax reviews and assisted in tax planning engagements
- Delivered clear analysis and reports on audit findings and tax compliance gaps
