PROFESSIONAL EXPERIENCE

Controller

Liquigaz Philippines Corporation | January 2025 – Present

- Lead accounting, reporting, and governance across nationwide LPG operations covering bulk, industrial, commercial, and intercompany activities.
- Strengthen internal controls and standardize accounting policies to improve reporting accuracy and financial visibility.
- Oversee monthly close, statutory reporting, and tax compliance aligned with Philippine regulatory requirements.
- Partner with the CFO on budgeting, margin analysis, and performance insights supporting strategic decisions.

- Lead external and internal audit coordination and drive finance capability development and systems improvements.

Chief Finance Officer (CFO)

Brenton International Ventures Manufacturing Corp. (Liquigaz Subsidiary) | September 2021 – January 2025

- Directed the full finance organization including Accounting, Treasury, Credit, Procurement, and Internal Audit functions.
- Led financial planning, budgeting, forecasting, and cash management to support growth and operational stability.
- Provided strategic financial leadership to executive management and strengthened governance and enterprise risk frameworks.
- Implemented finance process improvements that enhanced transparency, controls, and efficiency.
- Managed relationships with banks, auditors, and external stakeholders.

Country Finance Manager

Dunbrae Subic Inc. / Dunbrae Philippines Inc. (Dunbrae Group of Companies) | March 2019 – September 2021

Reported to the President and Australian Director of Finance.

- Led country finance operations including financial reporting, cash flow management, regulatory compliance, and strategic financial oversight.
- Prepared and presented monthly financial reports to executive leadership and Board, providing performance analysis and recommendations.
- Directed budgeting and supported investment and financial strategy decisions to improve business performance.
- Strengthened finance processes, controls, and reporting standards aligned with Australian headquarters expectations.
- Provided leadership, coaching, and capability development for the local finance team and built strong stakeholder partnerships.

Senior Finance Manager

TORM Shipping Philippines | September 2013 – March 2019

- Managed finance and accounting operations with direct reporting to global finance leadership and local executive management.
- Led monthly close, management reporting, budgeting, and rolling forecasts aligned with global standards.

- Maintained strong compliance environment including SOX controls, tax filings, and audit readiness.
- Oversaw payroll and financial administration supporting approximately 2,900 seafarers and cross-border operations.
- Served as local administrative head overseeing HR, facilities, and corporate support functions.

Finance Manager / Director

Globe Telecom Inc. | October 2005 – September 2013

- Led financial reporting quality assurance and compliance with complex accounting standards including financial instruments, hedge accounting, leases, and employee benefits.
- Championed implementation of new accounting standards and governance improvements across finance processes.
- Directed accrual reviews, variance analysis, and disclosures supporting executive and statutory reporting.
- Coordinated cross-functional close timelines to ensure accurate and timely delivery of financial reports.

Finance Leadership Roles (Various)

Energy Development Corporation (EDC) | September 1989 – October 2005

- Progressed through multiple finance leadership roles covering accounting, treasury, budgeting, project accounting, and field finance operations.
- Led financial reporting, operating expense analysis, and compliance with DOE and regulatory requirements.
- Supported IFRS/PFRS transition initiatives and strengthened accounting policies and reporting processes.
- Managed treasury, working capital, project funds, fixed assets, and intercompany transactions.

External Auditor

PwC Philippines – Isla Lipana & Co. | January 1988 – September 1989

- Performed audit engagements for major Philippine corporations across manufacturing and consumer sectors, ensuring compliance and reporting integrity.

SELECTED LEADERSHIP ACHIEVEMENTS

- Led finance leadership roles across energy, LPG distribution, telecommunications, shipping, manufacturing, and industrial sectors.

- Managed multi-functional finance organizations spanning controllership, treasury, procurement, audit, and risk oversight.
- Successfully supported IFRS/PFRS adoption and governance initiatives to enhance reporting quality and compliance.
- Partnered with executive leadership and Boards on strategic decision-making, performance management, and risk mitigation.
