Recognized for a strong ability to investigate and resolve complex issues while consistently seeking opportunities for process improvement. Demonstrates exceptional independence and effective time management skills, ensuring priorities are met in fast-paced environments. Committed to delivering accurate financial insights that drive informed decision-making and enhance organizational efficiency.

EXPERIENCE

Outsourced Quality Assured Services Inc. (Dorset Realty Group Canada), Quezon City

10/2022 - Present

Senior Property Accountant

- Reviewed 250+ financial statements for accuracy and determined compliance with accounting standards.
- Calculated monthly Goods and Services Tax (GST) filings in compliance with relevant regulations.
- Collaborated with property managers to optimize expense tracking and allocation, resulting in more effective cost control measures.
- Reconciled monthly Pre-Authorized Debit (PAD) collections, identifying and resolving discrepancies.
- Mentored junior accountants within the team, fostering professional development opportunities through training initiatives and ongoing feedback sessions.

Federal Land Inc., Makati City

11/2021 - 09/2022

Subsidiaries Accountant

- Reconciled intercompany transactions to ensure accurate financial reporting and maintain compliance with corporate accounting standards.
- Prepared and reviewed subsidiary financial statements to guarantee alignment with parent company consolidation requirements and regulatory guidelines.
- Collaborated with cross-functional teams to resolve discrepancies in subsidiary accounts, improving overall data accuracy and audit readiness.
- Monitored intercompany balances and coordinated timely resolution of outstanding items, enhancing cash flow predictability and operational efficiency.
- Prepared variance analyses reports to highlight key performance indicators and trends.
- Collaborated effectively with external auditors, providing necessary documentation, schedules, and computations to facilitate a smooth and efficient annual audit process.
- Handled day-to-day accounting processes to drive financial accuracy.

Abs-cbn Shared Service Center Pte Ltd, Quezon City

09/2019 - 10/2021

Tax Service Owner

- Computed and filed various tax returns (e.g., EWT, VAT) with supporting documentation, ensuring compliance with tax regulations.
- Prepared audit documentation and coordinated with BIR and external auditors.

SL Harbor Bulk Terminal Corporation, Tondo

02/2018 - 08/2019

Financial Analyst

- Generated and submitted timely and accurate monthly financial statements and comprehensive management reports.
- Managed and reconciled intercompany transactions and prepared consolidated financial statements, ensuring accuracy across entities.
- Facilitated smooth month-end close processes by efficiently reconciling accounts and addressing discrepancies promptly.

- Proactively monitored month-end customer billings, verifying completeness and accuracy to optimize revenue recognition.
- Tracked and calculated monthly inventory balances across multiple plant locations, providing critical data for inventory management.
- Managed the accurate recording and processing of payments for inventory importations, ensuring compliance with customs regulations and proper cost allocation.
- Conducted detailed financial analysis to identify and evaluate changes in operations, trends and potential areas of improvement.
