WORK EXPERIENCES

Senior Finance Manager / Finance Controller – Shared Services May 2024 – Present

As Finance Controller within a Shared Services framework, I oversee the financial operations of four manufacturing entities—two based in China and two in the Philippines—ensuring strategic alignment, regulatory compliance, and operational efficiency across jurisdictions.

Cross-Border Oversight

Manage end-to-end financial control for four manufacturing companies, coordinating reporting, budgeting, and treasury functions across China and the Philippines.

Ensure compliance with local GAAP, tax regulations, and statutory requirements in both jurisdictions, while aligning with global corporate standards.

Treasury & Banking

Oversee all bank payment processes, including authorization workflows, fund transfers, and FX transactions.

Review and approve banking transactions, ensuring accuracy, proper documentation, and alignment with internal controls and cash flow forecasts.

Maintain banking relationships and negotiate terms to optimize liquidity and minimize transaction costs.

Financial Reporting & Budgeting

Lead monthly, quarterly, and annual financial closings, ensuring timely and accurate consolidation of financial statements across entities.

Review and approve financial statements, ensuring compliance with accounting standards and audit readiness.

Drive budgeting and forecasting cycles, collaborating with operations and supply chain teams to align financial plans with production targets and market dynamics.

Compliance & Controls

Implement and monitor internal controls across finance processes, including procurement, inventory, and payroll, to mitigate risk and ensure audit defensibility.

Coordinate with external auditors and tax consultants to ensure smooth audit execution and regulatory compliance.

Leadership & Collaboration

Serve as strategic partner to senior management, providing financial insights and scenario modeling to support decision-making.

Mentor finance teams across both countries, fostering technical growth, cross-cultural collaboration, and process standardization.

Systems & Process Optimization

Champion automation and ERP enhancements to improve reporting accuracy, reduce manual workload, and enhance data visibility.

Standardize shared services processes across entities, driving efficiency and scalability.

Audit Director
SGV & Company (EY Philippines)
July 2023 – April 2024

As Audit Director in the assurance practice of SGV & Co./Ernst & Young (EY) Philippines, I led high-impact audit engagements for multinational and publicly listed companies across diverse sectors, including services, manufacturing, entertainment, hospitality, and gaming. My role combined strategic oversight, technical rigor, and people leadership to deliver audits that were not only compliant but insightful and value-adding.

Led multi-sector audit engagements for top-tier clients, ensuring compliance with PFRS, IFRS, and EY global methodologies while tailoring approaches to industry-specific risks and regulatory nuances.

Directed planning, execution, and completion of complex audits, managing cross-functional teams and ensuring timely delivery of high-quality audit reports aligned with professional standards and client expectations.

Performed in-depth reviews of financial statements, tested internal controls, and conducted substantive analytical procedures to identify misstatements, control weaknesses, and improvement opportunities.

Engaged directly with CFOs, Audit Committees, and senior management, presenting findings, offering strategic recommendations, and navigating sensitive financial and governance issues with diplomacy and clarity.

Championed audit automation initiatives, streamlining documentation workflows and enhancing audit efficiency, traceability, and defensibility.

Mentored and coached senior associates and managers, fostering technical growth, ethical leadership, and a culture of continuous improvement within the assurance practice.

Collaborated with EY global teams on cross-border engagements, aligning local execution with international standards and contributing to global audit quality initiatives.

Provided thought leadership on emerging audit risks, including ESG disclosures, cybersecurity, and evolving regulatory landscapes, helping clients anticipate and adapt to change.

Project Manager
Fasttrack Solutions, Inc.
April 2022 – June 2023

Led end-to-end implementation of SAP FI/CO modules, overseeing blueprinting, configuration, user acceptance testing (UAT), and go-live phases for accounting and finance operations.

Collaborated with cross-functional teams to align SAP functionalities with organizational workflows, ensuring seamless integration and compliance with financial reporting standards.

Managed stakeholder communications, training sessions, and post-deployment support to optimize user adoption and system efficiency.

Delivered process improvements through automation and data integrity protocols, enhancing audit readiness and operational transparency.

Acted as liaison between technical consultants and finance leadership, translating business requirements into scalable SAP solutions.

Finance Manager
Glacier Integrated Logistics Inc.
July 2016 – March 2022

Directed financial planning, budgeting, and reporting functions to support strategic decision-making and ensure fiscal discipline across the organization.

Oversaw internal controls, audit readiness, and regulatory compliance, implementing process improvements that enhanced transparency and reduced risk exposure.

Led cross-functional collaboration with HR, legal, and operations to align financial strategies with organizational goals, including labor cost optimization and policy enforcement.

Managed cash flow forecasting, variance analysis, and capital expenditure reviews, delivering actionable insights to executive leadership and board stakeholders.

Supervised finance team performance, mentoring junior staff and cultivating a culture of accountability, ethical conduct, and continuous improvement.

Spearheaded automation initiatives in financial reporting and documentation, streamlining workflows and improving data accuracy for audit and compliance reviews.

Acted as key liaison with external auditors, banks, and government agencies, ensuring timely submissions and defensible documentation in line with Philippine regulatory standards.

Audit Associate
MG MADRID & CO. (MGM & CO.)
November 2014 – July 2016

Delivered high-quality audit and assurance services across diverse sectors, ensuring compliance with Philippine Financial Reporting Standards (PFRS) and regulatory mandates.

Supported Senior Associates in compiling comprehensive audit documentation, including working papers, fact-based analyses, and defensible findings for review and sign-off.

Proactively identified and communicated key accounting and audit issues to managers and partners, contributing to risk mitigation and audit strategy refinement.

Pinpointed operational inefficiencies and performance improvement opportunities, offering actionable recommendations to enhance client systems and controls.

Facilitated seamless client-audit team coordination, ensuring timely and accurate information flow to support audit execution and reporting.

Assisted clients in preparing financial statements, income tax returns, and regulatory submissions, ensuring accuracy, timeliness, and compliance with BIR and SEC requirements.
