Objective

To pursue a career in Accounting, Auditing, or Finance where I can apply the skills and knowledge I have gained from my education and work experiences towards a meaningful contribution in a company that provides a conducive environment for learning and growth.

Summary of Qualifications

Chief Financial Officer (CFO) with more than 13 years of in-depth experience in Banking Industry. Presently handling Audited Financial Statements, MIS reports, BIR, SEC, BSP, and other regulatory reports. Skilled in MS Excel and Visual Basic Application.

As a CFO, I administer the end-to-end financial activities of the Bank for financial reporting and ensure to provide guidance when making financial decisions whilst coordinating with different Department Heads.

I mainly contribute to the overall efficient operations of the Accounting Team while making sure that all my members are able to meet their SLAs.

Building collaborative relationships with other finance and management functions in order to enable effective exchange of information required to support financial control activities. Graduated from Central Philippine University with a bachelor's degree in Accountancy as a Cum Laude and a Student Athlete.
