PROFILE

Passionate about driving innovation and growth in the finance and fintech industry. As a finance professional with a deep understanding of the fintech landscape, I bring a unique perspective to the intersection of technology and financial services. Over the course of my career, I've developed a reputation for driving innovation and creating value for both clients and stakeholders.

WORK EXPERIENCE

ASSISTANT VICE PRESIDENT - HEAD OF CASH OPERATIONS MANILA

MAPLES GROUP INC (MICROSOURCING)

March 2024 — Present

Oversees cash operations, managing transactions, reconciliation, settlement, and compliance. Develops and implements processes for cash management, ensuring efficiency and accuracy. Monitors cash flows across various funds, optimizing liquidity and investment opportunities. Acts as clients' primary point of contact for cash-related inquiries, delivering timely and accurate responses. Identifies and mitigates operational risks, including fraud and errors, while ensuring adherence to regulatory requirements and internal policies governing cash transactions and fund operations. Project manager for all Automation and treasury projects.

FINANCE MANAGER (DEPUTY CFO)

E-PON DIGITAL INC

Jul 2022 — Feb 2024

A seasoned finance leader with comprehensive expertise in financial planning and strategy, including budgeting, forecasting, and financial modeling.

Manages core treasury functions, optimizing cash flow and maintaining strong banking relationships. Oversees accounting operations, ensuring compliance with regulatory standards and delivering accurate, timely financial reports. Has direct experience in business development for strategic partnerships, particularly in the finance sector, and is actively involved in fundraising capital for venture capital (VC) and investment hubs. Adept at financial negotiations, structuring deals that align with long-term organizational goals.

Plays a key role in strategic planning through data-driven financial insights, while also identifying and mitigating financial risks. Chairs the Audit and Budget Committees, and serves as Vice-Chair for both the Anti-Money Laundering (AML) and Occupational Safety and Health (OSH) Committees.
