CAREER EXPERIENCE, RESPONSIBILITIES & ACHIEVEMENTS

SUPERVALUE, INC. (SM Markets, owned by SM RETAIL, INC.)

MAY 26, 2003 – August 7, 2025

Accounting Manager/Accounting Area Head -Vis2Min

Based in SM Supermarket, SM City Davao/SM Lanang Premier

Financial Leadership & Strategy

- Partnered with Executive Leadership (SM Food Retail Group, a shared services organization) to drive **data-based decisions** and improve operational performance across multi-entity retail operations.
- Led **annual budgeting, forecasting cycles, and long-term financial planning**, aligning tactics with business objectives.
- Designed and executed **cost-optimization strategies** by collaborating with Merchandising and Admin on **vendor negotiations, process improvements, and discount compliance**.
- Conducted in-depth **financial performance analysis** (sales, margins, OPEX, cost-to-serve) to strengthen planning accuracy and support profitability decisions.
- Improved **working capital and cash flows** through faster reconciliation, settlement follow-ups (banks, card issuers, e-wallets), and efficient sales audit practices.
- Enhanced **store/RHO/DC profitability** and labor efficiency through KPI monitoring, performance management, and continuous improvement initiatives.

Financial Management & Reporting

- Directed full-cycle financial operations of **SM Supermarkets and Savemore Markets (Vis2Min)** covering stores, Regional Head Offices, and Distribution Centers.

- Oversaw **GL, AP/AR (trade & non-trade), Sales Audit, Inventory, Treasury, Tax, Payroll, Terminal Pay, and reconciliation functions for multiple business units.**
- Ensured accurate and timely **journal entries, postings, transfer-postings, closing activities**, and financial reporting and consolidation using **SAP FI/CO**, improving compliance and reporting speed.
- Prepared actionable **financial statements and management dashboards**, strengthening corporate visibility and decision-making accuracy.
- Prepared and presented **Management Committee (ManCom) reports** for executives
- Implemented tighter **audit controls**, identified process bottlenecks, minimized discrepancies, and reinforced compliance across locations.
- Managed **cycle counts** and **annual physical inventory** (merchandise and fixed assets) improving accuracy and shrink control.
- Streamlined reporting by creating **standardized templates** (Word/Excel), improving consistency and reducing manual workload nationwide.
- Spearheaded **system/process transitions**, adopting modern, high-efficiency workflows and change-management practices.

Leadership, People Development & Collaboration

- Supervised and **mentored branch/RHO/DC accounting teams**, building a strong culture of accuracy, accountability, and continuous improvement.
- Collaborated cross-functionally with **Operations, Supply Chain, IT, Masterdata, Controllershship, Systems, Purchasing, Merchandising, Marketing (Ads & Promo), Logistics, HR, Treasury, Admin, Site Dev, Legal and Taxes** and vendor partners to resolve issues and align best practices.
- Addressed **payroll, manpower, and service provider** matters (logistics, security, janitorial), ensuring proper billing and documentation.
- Worked with Leasing, Legal and Taxes on **contract reviews, disputes, settlements**, and regulatory compliance.
- Worked with internal (Operations and Systems Audit) and external auditors.
- Ensured full compliance with **BIR, LGU permits, business regulatory requirements**, including POS permit applications and cancellations.

Achievements

- **Got promoted twice at Supervalu, Inc. (SM Markets/SM Food Group)** and had additional increases due to outstanding performance
 - ✓ From Accounting Supervisor to Asst. Accounting Manager then to Accounting Manager
 - ✓ Had many travel opportunities
 - ✓ Accounting Manager/Area Head with the greatest number of stores/RHO/DCs handled
 - ✓ Praises received for being smart, with bright ideas, confident, tech-savvy, organized, innovative, fast

learner, resourceful, helpful, accommodating, excellent in communication, analytical, good in decision making

- ✓ Strengthened internal controls over eSales data, reducing reporting discrepancies and improving tax compliance
