AGUIRRE TRUCKING & JMF ENTERPRISES
A medium-sized, family-owned business providing trucking, construction & build services

Accountant
Jan 2018 to May 2020 | Pilar, Bataan

In this role, I have built the entire business accounting setup from scratch, as well as established good accounting practices, internal control and processes. I have initiated operational cost-saving measures, constantly on the look-out for beneficial tax breaks that will maximize the business’ revenue and minimize losses. I also look after the sourcing of vendors and potential suppliers, price negotiation and handling the collection of customer payments (Accounts Receivables) in a timely manner. As my father-in-law owns the business, I am given a wide latitude of empowerment in operations and financial decision-making aspects of the business.

My tasks include, but are not limited to: monthly management report preparation and analysis, reconciliation reports, journal vouchers preparation, employee payroll, preparation, filing and remittance of taxes (income tax, VAT, CWT & EWT), company compliance to all government bodies i.e. BIR registration, permit applications and renewals as well as petty cash fund management
