PROFESSIONAL SUMMARY

Strategic Finance Leader & 18th Placer CPA with nearly 30 years of excellence in safeguarding enterprise value through forensic data analytics, financial strategy, and internal control optimization. A veteran of the telecommunications and FMCG-adjacent sectors, recognized for uncovering multi-million peso revenue leakages and navigating complex regulatory transitions, including the Ease of Paying Taxes Act (EOPTA). Proven track record in leading group-wide transformations, managing billion-peso opportunity losses, and providing Board-level advisory on risk, labor relations, and intellectual property.

CORE COMPETENCIES

- **Financial Stewardship:** Strategic Planning & Analysis (FP&A), Budget Management, and Business Scorecard Design.
- **Forensic & Risk Management:** Fraud Hypothesis Testing, ATV Clustering Analysis, Transaction-Level Reconciliation, and Internal Controls Optimization.
- **Regulatory & Legal Advisory:** EOPTA Compliance, Tax Strategy, Labor Relations, and Intellectual Property Rights Management.
- **Operational Transformation:** Enterprise Transformation, Variable Compensation Design, and Sales Intelligence.

CAREER EXPERIENCE

Executive Consultant | Forensic Auditor | [The Santiago Group](#)

Executive Consultant: July 2025 – February 2026 | Forensic Auditor: June 2025

- **Enterprise Transformation:** Led Project REIGNITE, a comprehensive transformation initiative across five restaurant brands anchoring on People, Finance, Experience, and Expansion.
- **Forensic Audit & Fraud Investigation:** Uncovered a ₱4 million cash skimming scheme spanning 2023–2024 by analyzing unsettled GCash payments and artificial POS postings; led background investigations and witness interviews in preparation for litigation.
- **Internal Controls Optimization:** Executed store-level audits using quantitative methods—including ATV clustering analysis and transaction-level reconciliation—to identify critical vulnerabilities such as POS credential sharing (with quantified unattributable revenue exposure), cash skimming risks via unintegrated merchant accounts, and cross-entity contamination risks under the Ease of Paying Taxes Act (EOPTA).
- **Financial & Operational Analytics:** Developed a daily P&L estimation methodology for per-store profitability tracking and conducted comprehensive GrabFood-to-POS transaction reconciliations to identify unexplained variances and discount discrepancies.

- **Intellectual Property Management:** Orchestrated a comprehensive trademark strategy and risk assessment across the group's portfolio, successfully lobbying IPOPHL leadership to restore an application and secure a Notice of Allowance for a key brand.
- **Labor Relations & Risk Mitigation:** Navigated complex labor relations during severe financial distress and advised principals on statutory benefit remittance liabilities and strict compliance with the Service Charge Law (RA 11360).
- **EOPTA Compliance & Risk Mitigation:** Identified critical non-compliance involving POS systems printing obsolete official receipts past the December 31, 2024 deadline; quantified exposure to ₱50K fines and 2–4 years imprisonment, providing immediate remediation steps and RDO notice submissions to shield the business from criminal liability.

Head – Financial Planning & Process Improvement | Masagana Gas Corporation

September 2024 – March 2025

- **Investor Due Diligence:** Prepared comprehensive financial statements for review by potential investors, ensuring high levels of accuracy and regulatory compliance.
- **Tax Strategy & Compliance:** Assessed the company's tax posture and developed a strategic roadmap to address VAT and income tax exposures.
- **Credit Risk Management:** Established the initial framework for customer financial evaluations and creditworthiness assessments to manage organizational risk.
- **Audit Preparation:** Conducted critical pre-audit reviews of unaudited financial statements to streamline the independent audit process.

Production Planning & Inventory Control Manager | Bonpack Corporation

September 2020 – March 2021

- **Operations Management:** Directed end-to-end production planning across diverse sub-processes, including film blowing, printing/rewinding, lamination, and bag-making.
- **Inventory Control:** Introduced rigorous measurement standards for both work-in-progress and finished goods inventory to enhance operational visibility.
- **Performance Measurement:** Redesigned *On-Time/In-Full (OTIF)* KPI measurements, directly leading to improved customer experience metrics.

Head – Consumer Experience (CX) Programs Administration | PLDT (Philippine Long Distance Telephone, Inc.)

August 2018 – April 2020

- **Cross-Functional Leadership:** Led inter-departmental coordination for CX programs, managing complex relationships across disparate organizational units.
- **Financial Risk Analysis:** Conducted cost-differential analyses on labor and legal risk scenarios, presenting findings to upper management to support strategic decision-making.
- **Strategic Forecasting:** Developed predictive models for installation and restoration truckrolls using funnel analytics to optimize operational efficiency.
- **Contract Management:** Served as the subject matter expert in crafting the Wuhan FiberHome contract under Project ONE.
- **Resource Optimization:** Quantified and justified manpower requirements for Home Business Operations Support.

Head – Customer Service Operations Strategy Development & Innovation | PLDT (Philippine Long Distance Telephone, Inc.)

February 2018 – July 2018

- **Vendor Governance:** Reviewed and updated volume guarantees for outsourced installation and restoration with third-party contractors to ensure service level alignment.
- **Revenue Assurance:** Quantified the financial impact of inefficiencies in contracted guarantee utilization, identifying an opportunity loss of approximately *₱1 billion*.

Head – Business Intelligence & Analytics | [Broadband Everywhere Corporation](#)

September 2016 – July 2017

- **Process Design & Strategy:** Documented and optimized the company's door-to-door selling process to ensure alignment with overall business objectives.
- **System Development (BSS):** Developed business requirements for *BSS modules* (Distribution, Sales, and Inventory) and led User Acceptance Testing (UAT).
- **Operational Continuity:** Designed and implemented a manual billing system to maintain revenue operations pending full BSS deployment.
- **Revenue Assurance:** Proactively identified fraud risks and revenue leakages in manual broadband service handling, escalating findings for immediate management action.

Head – Sales Intelligence & Financial Control | [San Miguel Corporation / Bell Telecommunication Phils., Inc.](#)

August 2015 – July 2016

- **Strategic Reporting:** Designed Sales & Distribution reporting frameworks aligned with organizational objectives; quantified data accuracy risk exposures to safeguard reporting integrity.
- **Business Advisory:** Provided technical advisory for demand modeling and business plan development under multiple financial and operational scenarios.
- **Budget Management:** Managed the preparation and justification of S&D OpEx and CapEx budgets, securing final approval from top management.
- **Compensation Design:** Designed and implemented variable compensation schemes for the Sales & Distribution division to drive performance.

Senior Business Partner | [Globe Telecom, Inc.](#)

May 2015 – July 2015

- **Stakeholder Management:** Served as the *Enterprise Data Office Key Accounts Manager* for Consumer Sales and Retail Transformation & Management.
- **Technical Liaison:** Bridged critical gaps between internal customer requirements and technical teams, ensuring complex business needs were accurately translated into actionable technical specifications.

Shared Services Director | [Globe Telecom, Inc.](#)

July 2013 – April 2015

- **Operational Oversight:** Managed shared services for the Consumer Sales Division, encompassing Sales Analytics, Sales Data Management, Regional Demand Planning, and Channel Operations Support.
- **Performance Management:** Directed the target-setting process for consumer sales channels and administered the Sales Incentive Program.
- **Audit & Inventory:** Managed trade inventory standards and provided strategic guidance for the Consumer Business Group's PC Shop Audit.

Head – Sales Analytics & Quality Assurance | [Globe Telecom, Inc.](#)

May 2007 – June 2013

- **Performance Intelligence:** Administered end-to-end target-setting and performance monitoring for consumer sales channels to ensure goal alignment.
- **Fraud Prevention:** Designed and implemented a unique methodology to identify and mitigate trade abuses within the Share-A-Load system.
- **Market Research:** Spearheaded Project Dipstick, a bi-weekly outsourced trade scan providing critical indices on brand penetration, pricing, and off-take.
- **Competitive Strategy:** Led competitive intelligence initiatives; conducted a study on Sun Cellular's Fixed Load Plans that directly informed the launch of Globe's Load Allowance Plans.
- **Technical SME:** Served as the subject matter expert for high-impact IT transformation projects related to sales data mining and variable compensation.

Senior Finance & Administration Manager | [First Philippine Industrial Park, Inc.](#)

May 2006 – October 2006

- **Corporate Governance:** Oversaw the Corporate Services Department, integrating Finance, HR, Purchasing, and Corporate Systems Improvement to streamline enterprise operations.
- **Strategic Advisory:** Performed sensitivity analyses on high-value business arrangements; presented data-driven recommendations to top management to mitigate financial and operational risks.
- **Compliance & Audit:** Ensured strict adherence to IAS and IFRS frameworks; served as the primary liaison for external auditors on complex tax and audit matters.
- **Risk Mitigation:** Conducted legal and tax reviews of corporate contracts to ensure 100% coverage of potential exposures.
- **Executive Support:** Served concurrently as Executive Assistant to the President & GM, preparing strategic reports and performance analyses for direct presentation to shareholders.
- **Performance Excellence:** Spearheaded the company's 2006 application for the Oscar M. Lopez Awards, leveraging the Malcolm Baldrige framework to audit and improve organizational performance.

Head – Sales Planning & Analysis | [Globe Telecom, Inc.](#)

June 2005 – May 2006

- **Strategic Frameworks:** Developed robust sales planning frameworks and recommended territory and channel target allocations.
- **Operational Assessment:** Conducted network utilization assessments and periodic performance reviews for key brands like Autoload Max.

Head – Business/Financial Planning & Analysis | [Globe Telecom, Inc.](#)

June 2001 – June 2005

- **Financial Planning & Control:** Managed business scorecard design, variable compensation schemes, budget processes, and comprehensive operational/financial planning.
- **Risk & Security:** Prepared statistical models for strategic projects and provided expert guidance on business continuity and information security

Tax Consultant / Accounting Analyst – Band 6 | [IBM Philippines, Inc.](#)

August 1999 – May 2000

- **Tax Optimization:** Identified key opportunities for tax optimization and resolved complex accounting and tax issues.
- **Reporting & Inventory:** Prepared and submitted critical tax reports to Corporate Headquarters and coordinated regular parts inventory counts to ensure data integrity.

Area Head for Accountancy | [Colegio de San Juan de Letran](#)

November 1997 – May 1999

- **Academic Leadership:** Developed and implemented the accountancy course program while supervising a team of approximately 20 *academic personnel*.
- **Research & Recruitment:** Led research facilitation activities and managed the academic hiring process to maintain high institutional standards.

Staff Auditor | [SyCip, Gorres, Velayo & Co. \(SGV\), An Ernst & Young Member Firm](#)

November 1996 – December 1997

- **Risk Advisory:** Identified and assessed client business risks, managed residual risks, and assisted in critical going concern reviews.
- **Client Engagement:** Provided high-level professional advisory services to major clients, *including PLDT and State Land Investment Corporation*.
