EXECUTIVE SUMMARY

Senior Finance Leader and Chartered Accountant with over 25 years of experience across multinational organisations, including Marriott International, IHG, and Shangri-La. Proven track record in leading finance functions, driving business performance, and partnering with senior leadership to deliver strategic outcomes.

Extensive expertise in financial planning & analysis, cash flow optimisation, internal controls, and stakeholder management within complex, multi-entity environments. Strong commercial acumen with the ability to translate financial insights into actionable strategies that enhance profitability and operational efficiency.

Experienced in leading transformation initiatives, including business restructuring, system implementations, and process improvements. Adept at working within both operator-led and asset-backed organisations, with strong exposure to governance, compliance, and capital planning.

Open to senior finance leadership roles (VP Finance / Finance Director / Head of Finance) across industries including hospitality, real estate, FMCG, fund and investment management, corporate finance, technology, manufacturing, and fintech, where strategic financial leadership can drive sustainable growth and value creation.
