

MAY MARZAN

Certified Public Accountant (CPA)

CAREER OBJECTIVE

To build on my experience in auditing by further developing technical and leadership skills, contributing to continuous improvement, and supporting the firm's mission of delivering excellence and integrity in assurance services.

EXPERIENCE

SENIOR AUDIT ASSOCIATE

HLB Atrede STRB PAC (Singapore) / 15 May 2023 to Present

- Consultant effective 1 November 2025, formerly employed by Atrede Management Consultancy Services, the firm's Philippine affiliate.
- Execute statutory audit engagements in accordance with Singapore Standards on Auditing (SSA), SFRS and IRFS, ensuring compliance with firm methodologies and professional standards.
- Perform audit planning, risk assessment, and internal control evaluation to identify key areas of audit focus and ensure effective engagement execution
- Collaborate with engagement managers and partners to address significant accounting and audit issues, ensuring timely communication of findings and recommendations

SENIOR ASSISTANT MANAGER

Asia United Bank / May 10, 2022 to December 30, 2022

- Conducts branch audit to check and validates branch operation in compliance with the bank policies and procedures and practices.
- Investigates and gathers data on any incidents resulting to losses and recommends areas for improvement to enhance systems and operations of the branches
- Support and updates the branches' concern to latest circulars and Manual of Regulations through reports

ASSISTANT AUDIT MANAGER

UHY M.L. Aguirre & Co., CPAs / October 1, 2019 – April 30, 2022

- Conduct audit planning together with the audit team members and supervise and review the works and reports of the team members
- Manage the assigned accounts and regularly provide status update to the audit director
- Answer client queries regarding the financial and regulatory matters.

CREDIT REVIEW OFFICER

Metro South Cooperative Bank / October 3, 2016 – August 15, 2019

- Perform an independent and objective credit review process to determine that credits are granted in accordance with the Bank's policies
- Assess the overall asset quality, including appropriateness of classification and adequacy of loan loss provisioning and identify problems
- Discussed with the officers responsible for the credit activities and escalated to senior management any findings/ weaknesses and recommend corrective action
- Reports directly to risk management committee
- Conduct risk assessment and updates the risk management manual

JUNIOR AUDIT ASSOCIATE

Sison Corillo Parone & Co. / December 7, 2015 – September 5, 2016

- Plans and execute the audit as discuss during the audit planning and proper document the audit procedures
- Discuss the noted audit issues with the assigned personnel to clarify and to obtain initial response and audit evidence
- Prepare reports with recommendation and financial statements
